## How to Activate the Translator Site

Are you interested in signing up for the free NTREIS Translator IDX solution?

If you have been approved and would like to log in, go to <http://NTREIS.immobel.com>, over on the left hand side under NTREIS Realtors, click on “log in here”, then proceed to login with your MLS ID and password.

Once you get to the “Wizard set-up page” you have successfully logged in and can set up your IDX. (If you can’t access the system with your login information and you are a broker, please contact NTREIS at 214-800-8420.)

If you are an agent/broker and would like to use NTREIS Translator, but have not completed the agreement and approval process, please go to [www.ntreis.net](http://www.ntreis.net) and complete the “Immobel Addendum to Access” agreement found under the “Technical Support” link for NTREIS Translator. Once you have completed the agreement, fax it to NTREIS at 866-924-3979. You will receive an email confirmation with details on how to proceed.

You will learn how to activate your Immobel / Translator site
